## 2023 Ajawah Household Letter

Dear Parent/Guardian,

### **Nutritious Food! Camperships Available!**

### **Minnesota Department of Education assists with food!**

Westminster Camp Ajawah provides nutritious meals to children without charge to you. We receive assistance from the Summer Food Service Program (SFSP) based on Household Income Statements completed by households. Meals are available to children 18 years of age and under and to persons over age 18 who are determined by a state or local public educational agency to be mentally or physically disabled.

Please complete and return the enclosed Household Income Statement if you are requesting a Campership from Westminster Camp Ajawah.

Camp Ajawah will be assisted with food cost by the Minnesota Department of Education and USDA if:

- Your household income is within the income guidelines shown on the enclosed instructions.
- Or
- Your household participates in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP), or Food Distribution Program on Indian Reservations (FDPIR).
- Or
- You have one or more foster children in your household (child who is formally placed by a court or the state welfare agency).

Camperships can be granted without meeting these guidelines, however.

The information you provide will be used only to award Camperships and to document that meals may be claimed for Summer Food Service Program assistance and will be maintained as private data.

The locations, dates of operation, and types and times of meals are attached and on our web site at [Ajawah.org](http://Ajawah.org).

- **Who should I include as members of my household?** Include yourself and all other people living in the household, related or not (such as grandparents, other relatives or friends). Include anyone who is temporarily away, for example a college student.
- **What if my income is not always the same?** List the amount that you normally get. For example, if you normally get \$1,000 each month, but you missed some work last month and only got \$900, put down that you get \$1,000 per month. Include overtime pay if you regularly work overtime.

- **Do I need to provide my Social Security number?** If household incomes are on the form, the person signing the form must write in just the last four digits of their Social Security number. If you don't have a Social Security number, indicate that on the form.
- **May I fill out a Household Income Statement if someone in my household is not a U.S. citizen?** Yes. You or your children or other household members do not have to be U.S. citizens for you to fill out a CACFP Household Income Statement.
- **How will my information be kept?** We will keep your information on file as private data. The back page of the form has more information about data privacy.
- If you have other questions or need help, call us!
  - Westminster (voicemail box 237) 612-332-3421

## How to Complete the SFSP Household Income Statement

Fill out a Summer Food Service Program – Household Income Statement if any of the following apply to your household:

- Any person in your household already is approved for one of these programs: Minnesota Family Investment Program (MFIP), Supplemental Nutrition Assistance Program (SNAP) or Food Distribution Program on Indian Reservations (FDPIR).
- You have one or more foster children in the household (a welfare agency or court has legal responsibility for the child).
- Your total household income (income before deductions, not take-home pay) is less than or equal to the income shown below for your household size. Include any foster children as members of the household. Do not include as income: foster care payments, federal education benefits, MFIP payments, or value of assistance received from SNAP, WIC, or FDPIR. Military: Do not include combat pay or Military Privatized Housing Initiative payments. The income guidelines are effective from July 1, 2018, through June 30, 2019.

**Step 1 Children** List all infants and children in the household, even if they are not related. Attach another page if needed to list all children. Fill in the circle if a child is in foster care (a welfare agency or court has legal responsibility for the child).

**Step 2 Case Number** Circle Yes or No to show whether any household member currently participates in any of the three assistance programs listed in Step 2. If you answer Yes, write in the case number and go to Step 4 (skip Step 3). If you answer No, continue to Step 3. WIC and Medical Assistance (M.A.) do not qualify for this purpose.

**Step 3 Adults / Incomes / Last 4 Digits of Social Security Number**

- List all adults living in the household (everyone not listed in Step 1) whether related or not, such as grandparents, other relatives, or friends. Include any adult who is temporarily away from home, like a student away at college. Attach another page if needed to list all adults.
- List gross incomes before deductions, not take-home pay. Do not list an hourly wage rate. For adults with no income to report, enter a '0' or leave the section blank. This is your certification (promise) that there is no income to report for these adults.
- For each income, fill in a circle to show how often the income is received: each week, every other week, twice per month, or monthly.
- For farm or self-employment income only, list the net income after business expenses. Write in whether the reported net income is per month or per year. A loss from farm or self-employment must be listed as a 0 and does not reduce other incomes.
- Last four digits of Social Security number – The adult household member signing the application must provide the last four digits of their Social Security number, or check the box if they do not have a Social Security number.
- Regular incomes to children – If any children in the household have regular income, such as SSI or part-time jobs, list the total amount of regular incomes received by all children. Do not include occasional earnings like babysitting or lawn mowing.
